

THE SAEIMA VISITOR AND INFORMATION CENTRE TURNS

13

One of the priorities of the work of the Saeima is to engage in a dialogue with the society and involve the people of Latvia in the legislative process.

To raise people's awareness about the work of the Parliament, the Saeima Visitor and Information Centre was established in 2009.

< THE CENTRE PROVIDES > OPPORTUNITIES

to learn about the work of the Saeima

to meet members and officials of the Parliament (upon prior appointment)

to lodge a submission

to learn about the possibilities of visiting the Parliament

< 13 YEARS IN NUMBERS >
